ST. JOHN'S DAY SERVICES
Rev. Thomas C. Dorst Preaches Sermon to Golden Guide Lodge.

The annual St. John's day services of the Golden Guide Lodge No. 2, of the Order of the Star of Bethlehem, were held at the Emmanuel church, Morrison, Sunday afternoon. The sermon for the occasion being preached by Rev. Thomas C. Dorst, pastor of St. Paul's church. More than seventy members of the lodge attended the service and the church was filled to overflowing by visitors, many being unable to get seats.

While young in this section, the Order of the Star of Bethlehem is growing rapidly and its present membership is considered large.

NEW YORK YANKEES
BUY "DUTCH" REVELLE
Richmond's Star Twirler Sold for \$2,500—Well Known to Local Fans.

An Associated Press dispatch from Richmond last night says that a telegram from Frank Farrell, president of the New York American League baseball club, to Owner Bradley, of the Richmond club, announces the acceptance by the former of the offer of "Dutch" Revelle at \$2,500, and saying that Scout Irwin would be in Richmond within the next week to sign the necessary papers. The star Richmond pitcher is to be delivered to the Highlanders at the close of the Virginia League season.

Scout Irwin was in Richmond two weeks ago and was very much impressed with the way Revelle worked. On his return to New York he reported accordingly and President Farrell decided to buy Revelle.

"Smiling Dutch" Revelle, as he is familiarly known throughout Virginia, is a Portsmouth boy and played baseball in Newport News for two seasons, pitching for the old Independents with John and Pat O'Hara and Billy Maloney. "Dutch" was signed by Owner Bland, of the Portsmouth team, four years ago, after the owners of the Norfolk club had refused to give him a try out. Norfolk later tried to buy him from Portsmouth, but Richmond put in the high bid and got him.

Since joining Richmond, "Dutch" has pitched consistent ball and was a main factor in the winning of the pennant for Richmond two seasons ago. Last year his steady pitching alone kept Richmond at the top for half the season. He has been doing fine work this year and is the only consistent winner Richmond has.

He has pitched many two-hit and three-hit games in the Virginia League and rarely is ever hit hard.

and climbed up one foot every day only to fall back two feet at night. The volume of mail has become so great that I left word at the post-office to have it all sent back to my editorial office at New York.

The colonel agreed definitely today to speak before the Milwaukee Press Club while on his Western tour which begins the last of August. He also decided to make another trip early in October when he will speak to the Knights of Columbus of Peoria, Ill., on October 12, and in Atlanta, Ga., on "Uncle Remus" day, which he said he thought was October 17.

In Good Condition.
Colonel Roosevelt was asked about the report published today that an operation on his throat was to have been performed this morning. He laughed in his boyish way. "Why the first I heard of it," he said, "was when Senator LaFollette arrived here and told me that he had read that report. I have never even heard of the doctor who it was said to perform this operation. How do you suppose this story about me became current? You can see for yourselves that not only is there nothing wrong with my throat, but that I am in perfect physical condition."

As he sat there, vibrant with vitality, with not a sign of fatigue after his violent exercise, he added that he had had no trouble with his throat since his return from abroad, or, in fact since the time King George's physician treated him.

Didn't Summon Him.
Getting back to the LaFollette conference, the colonel wished to make it clear that he had "not summoned" Senator LaFollette. Mr. LaFollette and Senator Burkett and Representative Madison, he said, had all wired him asking if they might come to Sagamore Hill.

It was so late in the morning when he found the telegrams amid the day's list of mail and wire messages that although he telegraphed for the three insurgents to come, only Senator LaFollette received the reply in time to reach here today. The others he expects soon.

As he finished this explanation the colonel took his axe again. "One more and I'll quit," he said. All the way down the hill to the sale the whack of the wood chopper's steady blows could be heard resounding through the woods.

AN UP-TO-DATE STOVE

Do you realize there is no longer any reason why you should use a coal range? Oil is cheaper than coal; it is lighter and easier to handle, and gives an intense heat. Provided you have the right stove, oil is more economical, cleaner and less trouble. Have you seen the

New Perfection
WICK BLUE FLAME
Oil Cook-stove

The accompanying illustration gives you only a rough idea of its appearance. You really can't appreciate it until you either use it yourself, or talk to someone who has used it. It does everything that a coal range will do—except heat the room. The New Perfection Oil Cook-

Stove will do anything, from heating a kettle of water to cooking a course dinner, but it won't heat a room. It doesn't "smell," it doesn't smoke. It can't get out of order. Light it and it is ready. Turn it down and it is out. Only a woman who knows the trouble of carrying coal and cooking in a hot kitchen can appreciate what it means to have a clean, perfect stove that will cook anything, boil, bake or roast, and yet won't heat the kitchen. How is it done? The flame is controlled in turquoise-blue enamel chimneys, and directed against the bottom of pot, pan, kettle or oven, and only there. The flame operates exactly where it is needed—and nowhere else. With this stove your kitchen is cool.

The nickel finish with the bright blue of the chimneys makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.
